BOARD OF EDUCATION.

CENTRAL COLLEGE.

In the college year 1900-01, Central College had the largest attendance in its history, viz: 271, including the enrollment in Central Academy at Fayette, which takes the place of the old preparatory department. The enrollment at the other academies which are under the control of the college was 269, making a total of 590 students.

The completion and equipment of Cupples' Hall added greatly to the advantages which the college is able to offer to young men, and gave to the institution a plant which is probably not excelled in the west, except by those colleges which have the support of the state or of immense private wealth.

A thorough investigation has been made by the board of curators of the state of the endowment and all its property, and an authorized statement of its condition made to the public through the St. Louis Christian Advocate. We regret, along with all Missouri Methodists, that the insufficiency of the income of the college, during a long term of years, to meet the current expenses, and some unfortunate investments, the loss from which could not be foreseen, have brought it to pass that the productive endowment has been diminished to about the sum of \$60,000.00. We also regret that the agitation growing out of this and other matters of controversy has induced a state of uncertainty, and also of concern in the minds of our people concerning the future of the college itself. We greatly deplore the continuance of this agitation and controversy as hurtful to the church and dangerously threatening to the future prospects of the college. We sincerely and earnestly express our fear that to prolong it any further will be fatal to our educational interests in the state. We express our respectful opinion that this controversy has referred rather to questions of policy, than to matters involving moral principle, and we earnestly deprecate all violence of feeling or unkindness of expression, either in public or in private, on the part of members of the board of

curators, or any other persons directly or indirectly connected with the college. We implore peace. And we affectionately urge the brethren and the members of the board of curators to give their attention first and immediately—and in the spirit of forbearance—to the business of making peace. This should be done at the cost of anything less than the sacrifice of moral principle. Otherwise we are apprehensive of a state in which the church shall be split into warring factions, and the college be buried under the debris of battle.

We recommend to the conference the adoption of the following resolutions, which have in view the carrying out of the wish of this conference expressed two years ago, with reference to an enlarged board of curators, equally distributed as to numbers through the three conferences of the state.

Be it resolved by the Southwest Missouri Conference of the Methodist Episcopal Church South, the St. Louis Conference and the Missouri Conference of that church concurring herein :

SECTION 1.—That the number of the curators of Central College, an educational corporation duly created and existing under and by virtue of the laws of Missouri, shall be twenty-four.

SEC. 2.—That each of the three conferences appoint one-third of the whole number of such curators.

SEC. 3.—That one-third of the curators shall be alumni of Central College, and be nominated through the Alumni Association of the college.

SEC. 4.—That the term of office of curators hereafter appointed shall be four years and until their successors are appointed and qualified; provided, that in increasing the present number of curators the terms of all the curators shall be so arranged by the board of curators of Central College, that the terms of one-fourth of such curators shall expire respectively in one, two, three and four years after the increase shall have taken effect, and the office of one-fourth of their number shall terminate annually.

SEC. 5.—That the chairman, secretary and treasurer of the board of curators of Central College be and they are hereby authorized and instructed to cause the charter of said corporation to be amended and changed, so as to carry into effect the foregoing resolution and in such other respects as the board of curators of Central College may approve.

We also recommend the election of C. E. Leonard and Rev. J.

W. Howell as members of the board of curators to hold office for four years.

C. M. BISHOP,
For the Committee.

CENTRAL FEMALE COLLEGE.

We are gratified to learn of the unusual success of this institution. The enrollment of the past year was 138 ; 105 being boarders, and thirty-three local. The graduating class numbered fourteen. The course of study is now believed to conform to the requirements of the general board of education. The faculty is competent and ample to the needs of the institution, and the religious condition of the school was favorable.

We are pleased to learn that progress is being made toward the securing of the much needed chapel building, and we urge that all possible aid be given to Doctor Williams, who is the authorized agent of the board of curators for soliciting and receiving funds.

We recommend the re-election of W. B. Palmore, J. F. Croves and Geo. A. Murrell, as curators. Recommend appointment of usual visiting committee

A. H. GODBEY,
For the Committee.

BOARD OF EDUCATION.

We, your board of education, have had before us the report of the general board, and are glad to note the increased interest in and growth of all our schools. It shows marked advance for the last three years and contains much valuable information and many useful facts that are well worth the attention of our ministers and members. We rejoice that we have past the million and a half dollars in our century thank offering, and that our conference has taken a hand in this to the amount of over \$50,000. Much of this, however, we fear has not been collected, and we request our brethren to see to the gathering in of all outstanding subscriptions as rapidly as possible. Nor must we rest on our oars. Our thank offering, small at best, has been sent in so many directions that the results are not what we had desired for our educational centers. We must not slacken our pace

but must urge men everywhere to meet their obligations to christian education. We recommend :

1. That this conference draw the attention of the several boards of curators for our schools to paragraph 416 of the discipline and to report of the educational commission published in the minutes of the general board for the last two years—the minimum requirements for admission to college being here laid down, and also the work that must be done before either the A. B. or B. S. degree can be granted.

2. That John S. Jenkins and O. E. Vivian be retained as a committee to obtain authentic and accurate statistics from our conference schools, to be furnished the general board.

3. That W. C. Hill be elected to fill the vacancy on the board of education, made by the transfer of C. M. Bishop.

4. That the treasurer of the board of curators of Central College be requested to furnish the conference every year with a full and complete report of the financial condition of the institution, including the character of the securities.

5. That you make an assessment of \$1,000 for education to be divided as follows:

Paine and Lane Institutes, \$600.00. The general board of education \$228.00, and \$172.00 for the conference board.

6. That P. M. Cain be appointed a student to Central College.

VANDERBILT UNIVERSITY.

We regret that our century offering has yielded only about \$50,000 of the \$300,000 necessary to endow the Biblical department of Vanderbilt University. Since a subscription of \$50,000 additional has been made by a layman on the condition that the church raise \$100,000 by next July. We trust that our people will not let this opportunity slip. May not men be found in Southwest Missouri to come to the aid of this great institution of Southern Methodism? We cannot prize her work too high, when we remember the many and useful men whom she trains. Let us have an eye to interesting our wealthy in her needs and to putting our young men under her influence.

PAINE AND LANE INSTITUTES.

We are much gratified at the progress of these institutions. We

owe it to ourselves as well as to them to help this work of the colored M. E. church. The 8,000,000 negroes of the south should be the objects of our special care. We not only trust that our assessment for this purpose may be met, but that large individual donations will be forthcoming.

JNO. S. JENKINS,
For Board.

SCARRITT COLLEGIATE INSTITUTE.

We note with gratification the fact that 120 pupils were enrolled last year in this institution. But for the breaking out of smallpox in the college home, a fine record would have doubtless been made. Many untoward circumstances have caused a small enrollment so far this fall, but we believe it only a temporary ebbing of the tide of prosperity that comes more or less in the life of every school, and we expect ere long beneficent results larger than ever from this well located plant of the church. We therefore earnestly call upon our pastors and people to rally to it and make it all that it should be. We see no just reason why we may not have there at least a secondary school as good as the best anywhere in our connection.

JNO. S. JENKINS,
For Board.

MORRISVILLE COLLEGE.

We learn from the report of the board of curators of Morrisville College that the past year has been one of the most successful in the history of that school, reaching an enrollment of one hundred and forty-six (146). The opening of the college for the scholastic year, 1901 and 1902, was very auspicious, there being a twenty per cent larger number in attendance for the first week than for a similar period last year.

The people of the vicinity of Morrisville raised \$7,600, thus entirely clearing the debt on the new building.

The old college building could, with an expenditure of \$1,500.00, be converted into a large dormitory for boys which would be worth about \$5,000.00. It does seem that our conference can easily afford

to make such an investment, since the people there have made such heroic self sacrifice for the school.

The board requests, and we respectfully recommend that Rev. W. H. Winton, Rev. J. L. Sullins, Mr. B. W. Mitchell, Mr. B. W. Appleby and Mr. D. M. Rush be elected curators for a term of three years.

T. W. ALTON,
For the Board.

COTTEY COLLEGE.

The report of the past years' work of Cottey College is most gratifying. The board of education recognizes with high appreciation the work of Mrs. Stockard, and unreservedly recommends this school to Missouri Methodism as worthy of cordial support. The school year of 1900-1901 was the most prosperous in its history, the total enrollment being 180—ninety-two of which were boarders in the college. The present year opened with the largest number of pupils in the history of the college and prospects are most flattering. While no definite arrangements have yet been made for the acceptance of Mrs. Stockard's generous offer to deed the property to the church, the committee appointed reports that such acceptance will be consummated as speedily as the conditions may warrant.

We recommend a continuance of the advisory board, consisting of Joseph King; P. C. of Centenary church; P. E., Nevada District, W. T. McClure, C. H. Briggs, J. B. Latimer, Jno. S. Clack, Dr. I. W. Ammerman, A. H. Barnes and Dr. G. W. Petty. We recommend the appointment of usual visiting committee, also the appointment of J. J. Stockard as professor.

J. J. PRITCHETT,
For Board.

BOOKS AND PERIODICALS.**REPORT OF COMMITTEE ON BOOKS AND PERIODICALS.**

We, your committee on books and periodicals, submit the following report :

PUBLISHING HOUSE.

We are glad to know from the report of the publishing house, made at the close of the financial year, March, 1901, that it seems to be in a fairly prosperous condition. We can, however, but regret the meagreness of the report—this being our only source of information—in that it suggests some things which we, and as we believe, the whole church would like, and ought to know. We are told that the total assets are \$964,867.71, but outside of \$14,646.34 cash, \$150,000.00 in Nashville City bonds and \$143.00 in postage stamps, we have no information as to what the remaining assets consist of. It would be interesting to know the market value and rate of interest of these bonds. It would also be of interest to know the present and past circulation of our church papers and periodicals so that we might compare them and draw our own conclusions. We do not speak of these things in the spirit of unnecessary criticism, but only as suggesting that they are in accord with other business institutions. We urge our people to give the publishing house their united and hearty support, always remembering that it is the property of the church, and that its agents are but the servants of the church.

CHRISTIAN ADVOCATE.

The Christian Advocate, under the editorship of Dr. Hoss, is worthy of our commendation and support. It stands for the defense of our faith and polity, and maintains ever a safe attitude to the various questions which concern us most. We sincerely wish for it a place in a hundred thousand Methodist homes.

METHODIST REVIEW.

This is a periodical of very high grade and does credit to our church. It furnishes strong meat for thoughtful minds and our only regret is that the subscription list of this publication is not sufficient to carry expense.

SUNDAY SCHOOL LITERATURE.

Our Sunday school literature is well adapted to the needs of our church. It is ably edited, is sound in doctrine and displays excellent

workmanship. But we recommend that the price be reduced if practicable. We heartily commend it to our schools and people, and we would also call special attention to the *Magazine* with its normal department as a periodical of great worth to teachers and others desiring to do the best class of work in the Sunday School.

EPWORTH ERA.

We note the excellence of the Epworth Era. Dr. H. M. Dubose has clearly demonstrated his ability as its editor, and we commend its make-up. But it is being published at a loss of more than \$6,000.00 a year as shown by the statement of the book agents. Certainly the enterprise has been tried long enough to demonstrate to the church that it cannot be made self-sustaining in its present form. We are opposed to any policy that would publish a magazine or paper continuously at a loss of so many thousand dollars a year.

REVIEW OF MISSIONS

Of the review of missions we can speak only in terms of highest praise, and would rejoice to see this fresh, bright periodical in every Methodist home.

ST. LOUIS CHRISTIAN ADVOCATE.

We commend the energy and enterprise of Dr. Palmore in enlarging by sixteen editorial columns and otherwise improving this, our conference organ, until it is the largest paper in Southern Methodism.

In mechanical make-up, in literary excellence, in all of its departments, it takes high rank and merits only praise. We certainly congratulate the editor and his assistants, and urge our ministry and members to be diligent in seeking to increase its circulation, thereby increasing its power for good.

C. N. SCRIVENER,
Secretary.

SUNDAY SCHOOL BOARD.

To the Southwest Missouri Annual Conference, M. E. Church, South :

We, your Sunday School board, respectfully submit the following report :

It is with pleasure we note the continued growth of our Sunday School interests.

We endorse the plan adopted by James Adkins, our Sunday School editor, for training Sunday School teachers, for it has come to pass that the religious training of the young is largely left to the Sunday School, hence such an important work should have teachers that are well qualified. The Sunday School editor has arranged for a course of study which will begin January 1, 1902, and will embrace three general points. (1). A good knowledge of the Bible as a text; (2). A fair knowledge of the Sunday School movement and the best methods of doing its work; and (3) a thorough knowledge of our own church—its doctrines, policy, and field of operation.

We earnestly hope every pastor and superintendent will help in setting this movement on foot.

We again call our presiding elders attention to paragraph 242 of the discipline, and request them to give us as much time as possible for the Sunday School interests.

We respectfully urge the pastors of the different charges to give more attention to the observance of Children's Day.

REPORT OF THE LEAGUE COMMITTEE.

The committee on Epworth League present the following:

The indications are that the leagues have been more useful than ever before. We find, however, that there are some charges in which there is no league. We believe there should be a league in every charge. We find also that some districts have had no chairman; others have had men who found it impossible to devote their time to the work. We should have a live, energetic man as chairman of each district, and they should be in close touch with the conference president. We believe that the conference meeting could be made more useful by a larger use of the leagues themselves on the program.

The next conference will be the State meeting; we should see to it that it is one of power and inspiration. We note the continued helpfulness of the Epworth Era. We believe its presence will double the usefulness of any league. The reading course for the coming year is the best ever selected. We hope it will be studied by all the leagues.

The league page in the St. Louis Christian Advocate is bright

and helpful. We believe that if each pastor will take the league into his heart and begin at once to study, pray, work, preach and suffer for a revival, the difficulties will vanish.

JNO. W. COONTZ,
For the Committee.

COMMITTEE ON TEMPERANCE.

First of all we would call the attention of the conference to the declaration of our church, found in paragraph 215 of our discipline, which positively enjoins our members to abstain not only from the manufacture or sale of intoxicating liquors, but also from the signing of petitions for such sale; from becoming bondsmen for any person as a condition for obtaining a license, and from renting property to be used for such sales.

2. We commend the efforts being made in our midst to interest and enlist our boys in the cause of temperance, and rejoice that many of them have been led to pledge their lives against the evils which confront them.

3. We would commend to the consideration of our people within the bounds of this conference, the methods and work of the anti-saloon league of this state, which has operated so successfully in other quarters.

4. We pledge ourselves as pastors and laymen to give all possible assistance by word and example to legitimate efforts made to further the interests of the cause of temperance.

J. R. HEDGES, Chairman.

W. C. BEWLEY, Secretary.

THE AMERICAN BIBLE SOCIETY.

Your Committee on the American Bible Society submit the following report:

Recognizing the importance of the work being done by this society, both at home and in foreign fields, we regret, that as a conference, we are raising so little money for it.

We have collected this year \$128 13. There was no report from about half of the charges.

We would kindly urge the importance of our heeding the discipline on this subject.

Paragraph 133 requires that each pastor, once a year, present to

his people the claims of the American Bible Society and take a collection for it.

Therefore, be it resolved that every pastor be urged to take this collection during the next conference year.

M. B. CHAPMAN, Chairman.

V. M. CRUTSINGER, Secretary.

MEMOIRS.

MANNEN DUREN was born in or near Warsaw, Mo., Sept. 10, 1834. Of his early life, when he was converted and joined the church, we have no knowledge. He was licensed to preach August 6, 1856, by the quarterly conference of Warsaw circuit, under the presidency of D. A. Leeper, and at the same time recommended as a suitable person to become an itinerant preacher and in September of that year the St. Louis conference at its session in Charleston, admitted him, under the presidency of Bishop Pierce, on trial. His first appointment was to the Buffalo circuit 1857, Nevada circuit 1858, Bloom Garden circuit; 1859, Pineville circuit; 1860, located.

August 25, 1858, he was married to Miss Samantha J. Austin, of Vernon county, who died about one month ago. Two children, a son and daughter, survive him. In October 1858, he was admitted into full connection in the conference and ordained deacon by Bishop Pierce. While local he lived two years in Clinton, three in Ft. Scott, Kansas, and six in Nevada, Mo. Was ordained by Bishop Pierce, elder in 1869.

He was readmitted into the Southwest Missouri Conference at its first session held in Kansas City in 1871. His subsequent fields of labor were: Index circuit, Columbus, 2 years; Harrisonville, 2 years; Wellington, Longwood, Arrow Rock, 2 years; Lamonte, Papinsville and Walker.

Here his health gave way and his name was placed on the list of superannuates where it remained two years. Then on the supernumerary list, where it remained till one year ago when he was again placed among the superannuates.

Brother Duren was a preacher a little over forty-four years; eleven local, sixteen effective, and fourteen supernumerary and superannuate. During this last period of his life he lived in Nevada and

engaged in secular business, thereby supporting himself and family and contributing liberally to church enterprises.

During all these years he received but \$25 from the conference fund.

Near the close of the year, 1899, he moved to Kansas City, where he fell asleep January 23, 1901.

Brother Duren was a christian gentleman, a good preacher of the word and a safe counselor. Withall he was a great sufferer.

He went down to the tomb, gently, slowly, surely, safely. He knew whom he had trusted and was assured that he would keep that which he had committed to him against that day.

His body was wasted and feeble, but his mind was bright and clear, his faith in lively exercise and his hope anchored within the veil.

"When the roll is called up yonder" Mannen Duren "will be there."

W. S. WOODARD,

W. B. M'FARLAND.

Mrs. Samantha Duren, the widow of the late Rev. M. Duren, of the Southwest Missouri Conference died at her home in Kansas City on Sunday morning, September 1. Mrs. Duren had been an invalid for nearly a year and had been a great sufferer. She was an earnest, devoted christian woman, thoroughly consecrated, and always willing to do what she could for her Master. She was ready and even anxious to go, and she doubtless entered with joy into the mansion prepared for her by our Lord.

M. B. CHAPMAN.
